

OREC Showcases Alfred Project

Visit from Member #700, Minister McKenna

The Ottawa Renewable Energy Co-op had the opportunity to showcase its 500 kW ground-mount project in Alfred, ON to the Minister of Environment and Climate Change - and OREC member #700 - Catherine McKenna. The Mayor of Alfred-Plantagenet, Fernand Dicaire, also joined the tour.

The Minister was intrigued to learn about this [first-in-Canada project](#), and chatted with the Co-op's General Manager Janice Ashworth about the future of solar in Ontario. Both Janice and Minister McKenna had the chance to [speak with Radio-Canada](#) about the recent decision by the Ontario PC government to cancel 758 renewable energy contracts.

Watch a portion of the conversation between Janice and Minister McKenna by following the link below.
